Consolidated Tribal Health Project, Wellness Center

What is Native STAND?

A program promoting positive youth development.

The curriculum holistically addresses healthy decision-making and develops knowledge and skills for healthy relationships and self-esteem, preventing STDs and early pregnancy, and avoiding substance abuse.

Native STAND is

- Culturally relevant for high school-aged teens (14-18)
- Made up of 27 lessons delivered over 14 weeks (February through May)
- Interactive and hands-on
